Dear Member,

We understand that during these difficult economic times, it may be a challenge to succeed in business. To assist our business community with this challenge we will be hosting the 7th Annual Business Expo.

In keeping with our mission to assist our business community & entrepreneurs to be successful, this year's Business Expo intends to provide workshops that will further that mission. The event will have two focus areas; existing businesses and starting a business. We will provide workshops in each of these areas and cover topics such as business plan development, marketing your business, website design, sources of funding and more.

We invite you, our Merced County Hispanic Chamber (MCHCC) member, to come out and showcase your business at a booth at this event. Because of your loyal membership to the MCHCC the booth space is free to our current members. If you are not yet a member and would like to attend just contact us to join our great organization. We expect to have a large cross section of Merced County existing and potential businesses attending and because of that I believe this will be a valuable opportunity to create exposure for your business. Enclosed you will find the applications and information needed to secure your spot or you can visit our website if you prefer; [www.mercedhcc.com](http://www.mercedhcc.com).

Please contact our MCHCC office at (209) 384-9537 or [info@mercedhcc.com](mailto:info@mercedhcc.com) with any other questions you may have. We appreciate your time and look forward to working with you.

Sincerely,
